Bloomsbury Community Member,

The Bloomsbury Board of Education is in the process of exploring options relating to its current send/receive relationship with Phillipsburg High School. For at least a century, our District has sent its high school-aged students to Phillipsburg High School. We are now considering whether to continue that relationship with Phillipsburg, or whether to sever that relationship and enter into a new send/receive agreement with the Delaware Valley Regional High School District. Delaware Valley has expressed interest in accepting Bloomsbury students, and Phillipsburg has expressed its interest in maintaining its relationship with our District.

The Board believes it to be important to seek the input of the community before making its ultimate determination. While the attached survey is not binding, it will provide the Board with input regarding this matter of great public importance.

We have submitted this survey, by regular mail, to every registered voter residing within the confines of the District. Please complete the survey, sign the acknowledgment, and return the survey in the enclosed, self-addressed, stamped envelope. The Board will only consider signed surveys received in the Board office by the end of business on October 31, 2012.

Thank you,

Bloomsbury Board of Education

1. Where do you believe Bloomsbury students should attend high school?

Phillipsburg High School

Delaware Valley High School

2. Do you believe that Bloomsbury families should have a choice to send their high school-aged children to *either* Phillipsburg High School *or* Delaware Valley High School?

Yes No

3. If the Board maintains its current relationship with Phillipsburg High School, would you seriously consider any of the following?

I would consider moving out of the Bloomsbury School District.

I would consider sending my children to elementary school at Bloomsbury Elementary School and middle school at a different school through the Interdistrict School Choice Program.

I would consider sending my children to elementary school at Bloomsbury Elementary School and to a private school instead of Phillipsburg High School.
