Choice Program:

Bloomsbury is a small suburban/rural school district in Hunterdon County boasting small class sizes. Bloomsbury truly believes in the infusion of 21st Century Skills, authentic technology and an inquiry-based approach to learning in order to create life-long learners in each and every single one of our students. The school district also offers many supplementary subjects, clubs, and opportunities such as World Language, 1:1 technology ratio, visual and performing arts, Peer to Peer, Student Council, Yearbook, Archaeology, Geocaching, Drama Club, Academic Success classes, Homework Club, and services such as counseling and speech therapy. The District prides itself on the staff's ability to take an eclectic approach to instruction, combining proven effective traditional best practices with research-based emerging methodologies. The District continues to maintain a strong relationship with our PTO thus creating a seamless link between home, school, and the community making us a small school but one big family.
