Mission of the Child Care Program

Bloombsury School District's Child Care Program is committed to assisting parents before, during and after school hours by providing a safe, enjoyable environment for Bloombsury Elementary School children in PreK – grade 5. Our PreK Wrap Program is offered during the school day for children who attend our ½ day PreK program.

Program Description

Children will be afforded the opportunity to complete homework assignments (with parent permission), arts/crafts projects, play table games, participate in indoor/outdoor activities contingent upon weather conditions, view appropriate DVDs, participate in storytelling and additional age appropriate activities under the supervision of district staff. A ratio of one adult to 10 children will be maintained.
