

Blackboard Connect™

Blackboard Connect is the system that Bloomsbury Elementary School uses to notify parents regarding school closings and other important information.

For your convenience, we have created a form for you to make additions, deletions or changes in your contact information. This will affect the notification system only. Please note, only parents/guardians of current students in our school district are permitted to request changes.

- **Simply click the link below to access the form or go to the Parent Involvement tab on our website and click on Blackboard Connect Contact Change form.**

- **Once you have completed the form, all you have to do is click "submit" and you are all set!**

Click here to access the form:
