

2017-18 Homework Club

Homework Club this year is new and exciting!

It's a chance for younger students to get homework help and an opportunity for older students to show leadership skills and lend some homework help.

Who: 1st - 5th Graders who would like help with their homework

Who Else: 6th - 8th Graders who would like to help others with homework

When: Thursday afternoons from 3:05 - 4:05PM

Where: 8th grade classroom

6th - 8th grade students will be trained by Ms. Nitzsche and Ms. Hill-Whipple on how to assist younger students with their homework. Study skills will also be discussed. **If you volunteer, your attendance is counted on and not optional.** Students will look forward to your help each week, and it would be discouraging if your attendance was intermittent.

The first meeting for 6th - 8th graders ONLY is on Thurs, 9/28 at 3:05pm. This will be a training meeting. If more training meetings are needed, it will be discussed at a later date.

Homework Club for 1st - 5th grade begins on Thurs, 10/05 at 3:05pm.
