Joining Hands to Support Our Children's Future

Volume 1, Issue 9

May 2018

Happy May! We are coming up on the end of the year, but the PTO continues to be busy. We had our annual Talent Show in April and it was wonderfully successful. As is tradition, we had a few of our preschoolers as the opening act and our 8th graders as the finale. We would like to thank our teachers and staff for once again putting together a terrific act. Thank you to all of our student performers! It takes a lot of courage to perform on stage and we are so fortunate to have so many talented kids! A big thank you to Mrs. Debbie Price for putting the show together. We also want to thank David Price for volunteering to do the music and sound for the show, and Reed Nitzsche, Peter Evanowski & Dylan Hornick for being our stage crew.

We are currently serving breakfast to students participating in PARCC testing. The PTO was able to offer breakfast for a total of 6 days. We would like to thank Mrs. Brittany Smith, Mrs. Kaydeon Whidbee, Mrs. Sheri Tufaro and Mr. Matt for all their help over the past 2 weeks.

We are celebrating Teacher Appreciation Week from May 14, 2018 to May 18, 2018. Thank you to all the moms and grandmothers who are making breakfasts and lunches for our teachers. We are hoping to make this celebration a little more special than usual. Our teachers have been such a part of our efforts this year. The Teacher Auction was hugely successful and that is due to our teachers. If you would like to help please contact the PTO as soon as possible.

The PTO is working hard on the Tricky Tray, scheduled for Friday, June 1st. If you can, please consider donating a gift card or any unopened gift. We have 2 sets of Disney Hopper Tickets, a smart TV, a Brother computerized sewing and embroidery machine, Dorney Park, Land of Make Believe tickets and an American Girl Doll, just to name a few! We hope to see you all there.

Our final event will be Field Day. The PTO provides a morning snack and lunch. We are currently working on ideas for the lunch. If you would like to volunteer that day please email us.

The PTO is trying to help 8th grade by collecting recyclable products that will be used in Science. They can use rolls from paper towels & toilet paper, 2 liter bottles, empty medication bottles (labels removed) and empty tissue boxes. You can send these items into school and mark them to the attention of Miss Rohrer. Please check our Facebook page. We have a lot of information posted on what projects we are currently working on and what help we may currently need.

Our next meeting is this Thursday, May 10th at 3:15 pm.

As always, thank you so much for supporting the PTO. We are incredibly fortunate to have great parents who are willing to volunteer their time.

Please know how much it is appreciated.
