

Hunterdon County Safe Routes to School

International Walk to School Day: October 10, 2018
“Be part of a winning team; walk or bike to school.”

Dear Parent/Caregiver,

Bloomsbury Elementary School is proud to participate in the **“Hunterdon County Safe Routes to School Program,”** which encourages and educates our students on walking to school safely. International Walk to School Day provides opportunities to reinforce the goals of the program- *“Where it is safe, get kids walking and bicycling; where it is not safe, make it safe.”*

On Wednesday, **October 10, 2018**, Bloomsbury Elementary School will participate in IWALK 2018. This year's IWALK theme centers around being part of a team. By walking to school, you are an all-star for the environment and your overall health. Because of this, students are encouraged to walk to school wearing their favorite sports team's colors on Monday! All students who walk to school on Monday will receive a collectible keychain!

Live too far from the school to walk...Consider dropping off your student at a closer location and walk the rest of the way! **The Walking School Bus will meet at the corner of East St. and Brunswick Avenue.*

International Walk to School Day serves as the first of many walk to school days this year at Bloomsbury Elementary School.

As always, here are a few tips to reinforce while walking/rolling to school:

- **Cross only at crosswalks.**
- **Look LEFT, RIGHT, and LEFT again before crossing.**
- **Make eye contact with drivers to be sure that they see you.**
