April 2019

Happy Spring, Everyone! The annual “Bloomsbury’s Got Talent Show” took place on March 29, 2019. The show was a huge hit!! We had a total of 21 acts perform this year, and that is the most we have had in quite some time. We could not be happier with how many students participated. We would like to thank Mr. Matt, Mr. Frank and Mr. Al for all their work in setting up for the talent show. A big thank you goes out to David Price for, once again, taking care of the audio, music and the show programs. The PTO would also like to thank Mrs. Debbie Price for all her work in making the show such a success. Debbie has run the talent show for many years and sadly, this will be her last. The PTO is going to miss having her as a member. Prior to the talent show, our Student Council served a wonderful pasta dinner to raise money for charity. The food was terrific! We would like to thank Ms. Deb Hill-Whipple, Dr. Marycz and Mr. Matt for preparing the dinner. A big thank you to Student Council for doing a fantastic job serving and waiting on all their guests!

Kids' Bingo will take place Friday, April 12, 2019 from 6:00pm-8:00pm. Please send in your reservation forms. We have some wonderful prizes for all the winners!

We will be serving breakfast for those students taking the NJSLA tests (formerly called PARCC) starting Monday, April 29, 2019. If you would like to help, please contact the PTO.

In May, we will be celebrating Teacher Appreciation Week. We have a wonderful tradition of having volunteers provide breakfast and lunch the entire week. Teacher Appreciation Week will start Monday, May 13, 2019 and end Friday, May 17, 2019. If you would like to participate, please contact the PTO.

Finally, in June the PTO will once again be providing snacks and lunch during Field Day. Due to the destruction of the pavilion, we are looking to rent a tent and tables. We are currently working on the menu for that day as well. If you would like to volunteer, please let us know.

As always, thank you for all your time and hard work. We truly appreciate everyone who has taken the time to help the PTO!

DONATE
LIFE

- * April is a month to celebrate those who have received transplants, to raise awareness for those who continue to wait, to honor the donors and their families, and to thank those who are registered donors for giving hope
- * In 2018, more than 36,500 transplants brought renewed life to recipients & their families
- * More than 110,000 men, women and children are waiting for organ transplants
- * Every 10 minutes another name is added to the list
- * One donor can save up to 8 lives, give sight to 2 people, and heal 75 others
- * People of all ages and medical histories can potentially be donors. At the time of your death, the doctors will determine what organs and tissues can be donated
- * Living donors must be in good health, both mentally and physically, and older than 18 years of age. Approval is only given after a full medical evaluation is completed
- * All major religions support organ donation!!!!
- * Donation is only considered when a patient is declared clinically & legally dead
- * There is no cost incurred by the donor family
- * Many people are in favor of donation but forget to register and let their families know of their wishes to be an organ donor
- * To register as an organ donor, please visit RegisterMe.org
- * To find out more about organ, eye, tissue & living donation, please visit DonateLife.net
