

# ÷ and Conquer Club

Dear Students and Parents/Guardians,

This school year, ÷ and Conquer Club, will be offered for students in grades 5-8 to attend after school. This club will allow students to engage in challenging mathematical puzzles and challenges. Please note that students will NOT be working on math homework during this time. The number of students who can attend is capped at 15 students, therefore it is imperative the permission slip is returned in a timely manner.

The club will meet weekly on Wednesdays from 3:05-4:05 pm. A meeting will not be held if it is an early dismissal. The first ÷ and Conquer Club meeting will be held on Wednesday, November 13 from 3:05-4:05 pm. Below are the dates the club will be held.
