Dear Parents/Guardians,

First, we cannot thank the parents, students, faculty, and community as a whole for coming together during this difficult time. This first week of virtual instruction has truly proven just how strong and united Bloomsbury School District and the community truly are! What we have witnessed and accomplished over this past week is nothing short of a miracle. We are all teaching and learning together, but most of all, we are supporting each other emotionally, which is why our students continue to strive and progress regardless of the platform! Thank you for always being supportive.

As we monitor the COVID-19 outbreak locally and globally, it has become abundantly clear that we must continue to mitigate the spread of COVID-19 by practicing social distancing.

By an executive order from Governor Murphy directing, "All public, private, and parochial preschool programs, and elementary and secondary schools, including charter and renaissance schools, will be closed beginning on Wednesday, March 18, 2020, and remain closed as long as the order remains in effect". We are closely monitoring the situation and reassessing the duration of this closure.

The District will continue to implement our virtual learning plan in order to provide student instruction during this executive order. At this point, the reopening of school will be determined by Governor Murphy.

Although this is uncharted territory for all of us, our community has proven resilient as we continue to protect the health and safety of our students and staff. We thank you for your patience and understanding as we work through this difficult situation and continue with our virtual learning for all students. Please remember to reach out to me, your teachers, Mrs. Bolmarcich, Mrs. Matus, or Mrs. Scuderi for virtual learning support, emotional support, or help with any concerns at all. We are always here to assist in any way.

Please take care of yourself and your family. Your health and well-being are of the utmost importance. Remember, we are a **SMALL SCHOOL BUT ONE BIG FAMILY!** We will do this together.

Most Sincerely,

Jenniffer Marycz, Ed. D.
