Notice of Vaccination for In-coming Sixth Graders

NJ State Sanitary Code, amended December 14, 2007, requires that students must meet immunization requirements as set forth in Chapter 14. Regulation 4:16 requires that all students entering the sixth grade receive one dose of **Tdap** no earlier than their 10th birthday and one dose of **meningococcal vaccine**.

Documentation of these vaccines is due prior to the start of school next year or the child will not be permitted to enter the building. Forms are being sent out early so you have them for your child's routine physicals this year. We are requesting that your child's primary care provider complete the form below and return to Bloomsbury Elementary School.

If you need financial assistance, contact Hunterdon County Health Department reduced Cost Childhood Vaccine Program, (908) 806-4570.

If you have any questions regarding these requirements, please feel free to contact me at (908)479-4414 or email kscuderi@bburyes.org. Thank you for your cooperation.

Sincerely,

Katie Scuderi, RN, BSN
Bloomsbury Elementary School Nurse

Must be completed by Physician:

Student Name: _____ Date: _____

The above named student has received:

1. The Tdap booster on _____
Month/day/year
2. The meningococcal vaccine on _____
Month/day/year

Signature of Primary Care Provider

Print or Stamp of Primary Care Provider
