Dear Parents/Guardians,

It has come to our attention that there have been multiple incidents on the Bloomsbury School District playground in recent weeks that have occurred after hours. Such incidents include, but are not limited to, illegal, underage vaping, fighting, climbing on the shed roof on the property, and both racial and phallic symbol vandalism on school property. This is extremely unfortunate as the playground is a place that is enjoyed by many children.

The Bloomsbury School District has decided that if any more incidents occur, the playground will be shut down and locked after school hours. This means it will be closed entirely to the public. This is an unfortunate circumstance since we know so many enjoy using the property. However, we cannot continue with such blatant misbehavior and vandalism to our property. If we are forced to lock the property, anyone who jumps the fence or bypasses the gates will be charged with trespassing. We understand this appears harsh, but it is our responsibility to ensure that our school and playground remain safe and intact for our students.

Thank you for your cooperation and understanding. We are truly hopeful that no further incidents occur.

Sincerely,

Jenniffer Marycz, Ed.D.
