May 20, 2022

Dear Parents,

We are very excited to announce our Summer Learning Academies for students who just completed grades K-7. These academies are designed to enhance specific learning standards that are in need of support due to COVID learning loss. They are also a great way to continue the learning process when the summer slump begins. Learning Academies will run four days a week in 2-3 level grade spans. ELA and math will each have one and a half hour classes either in the morning from 10:00-11:30AM or afternoon sessions from 1:00-2:30PM. Please note, students attending both AM and PM academies will go home for lunch and return for the PM class. **They DO NOT stay in between.** Classes will begin June 27, 2022 and will run until August 18, 2022. All classes will be capped at 12 students per class. Students who sign up for a class must attend all four classes in that session. **As an added perk, any student entering grades 2-8 who completes one week of ELA classes and one week of math classes will be exempt from summer enrichment work.**

Enrollment for Learning Academies will be done via a very easy Google form. You may use the hyper link [Learning Academies](#) or visit our Parent tab on our website at [www.bburys.org](http://www.bburys.org).

Please keep this helpful information in mind as you enroll your students for the Learning Academies:

- Once classes are full with 12 students, parents may contact Mrs. Hutchison to have their child's name placed on a wait list.
- You do not need to enroll your child in any class if you have already **signed and returned** the teacher invitations that were preciously sent to specific parents. You MAY sign them up for additional classes that were not recommended.
- If you were given a teacher invitation to the classes but DID NOT sign and return the form, your child has not been enrolled. You must now do that on your own.
- Please note, a nurse will not be in the building during these classes.
- Just a reminder, you enroll your child in the grade they JUST completed, not the grade they are entering in the fall.
- A full Learning Academy schedule is attached to the email, Facebook, Parent tab on the website, and virtual backpack.
