Mission Statement: "The Bloomsbury School District, in partnership with parents and the community, will provide challenging educational programs that enable all students to achieve their full academic potential and to develop the social skills necessary to become life-long learners and responsible, productive members of the school, community, and society. Growth and development of the student as a whole requires the need to address the social and emotional development of students as well. Therefore, in addition to challenging students academically, we will focus on the core values of respect, responsibility, tolerance, caring, trustworthiness, and citizenship."
