

Second & Third Grade Wax Museum!

Dear Families,

Second and third grade students will be presenting a Wax Museum in their classrooms. Each student will be profiling one of these famous people: Walt Disney, Lionel Messi, Henry Ford or Serena Williams. Everyone's wax museum people have been assigned and the students have already begun researching with teacher guidance.

Visitors will be invited to circulate through both classrooms and step back in time as they learn about each famous person. This is a living wax museum. Students will be standing next to or behind their desks. They will act frozen in a pose. If you press the button on their desk, they will unfreeze and tell you a fact or facts about their individual. The individuals we profile in our Wax Museum have made enormous contributions to our country and have helped change the way people think and behave.

In school students are:

Researching their influential person, filling notes into a flipbook as they read, and typing a paragraph(s) in Google Docs. They will also be completing a clapper board presentation of their influential person, which will be presented at the Wax Museum.

There is a part we will need your help with. A costume! The costume does not have to be anything brand new. Please do not go out and buy anything expensive for this. You might be able to put something together from things at home or you might find some good items at Goodwill. They are allowed to have props if appropriate to look like their famous person. For example, Serena Williams might be holding a tennis racket.

We are extending an invite for parents to come experience our Wax Museum between 2:10-2:50 pm on Friday, May 17th. Students should come to school on May 17th with the items they will need to dress as their famous person. They do not need to come fully dressed as their famous person. Feel free to be as creative as you wish with the costumes. Please do not forget to complete the attached page and return it back to school. We look forward to seeing you!

Sincerely,

Mrs. Duerring, Mrs. Lemasters, and Mrs. Pulcini

Wax Museum Save the Date!

When: May 17, 2024

Time: 2:10-2:50 pm

Where: 2nd & 3rd Grade Classrooms

RSVP By: April 26, 2024

My child is _____.

Please cut off bottom portion and return to school. RSVP by 4-26-24
