Dear Parent or Guardian:

The Bloomsbury School District acknowledges that parents/guardians are the primary health educators for their child/children, and we are committed to partnering with you to provide supplementary resources to support you in this role.

Although we encourage families to have their student(s) participate in these essential health topics, we want to remind parents/guardians that they do have the option of excluding their child from any **one** portion of health education instruction if it is in conflict with conscience, moral, or religious beliefs. If this is the case, please complete the exclusion form below, and return to Ms. Hutchison. Students who are excused will be assigned alternative lessons in a separate classroom.

- Personal Safety (Grades K – 8)
- Human Reproduction and Childbirth (Grades 7 – 8)
- Puberty (Grade 5)
- HIV/AIDS and Sexually Transmitted Infections (STDs) (Grades 7 – 8)
- Contraception and Pregnancy Prevention (Grades 7 – 8)
- Abstinence (Grades 7 – 8)
- Healthy Relationships (Grades K – 8)
- Decision Making (Grades 3 – 5)
- Self-Advocacy (Grades 3 – 5)

Sincerely,

---
