

MEET THE SCHOOL SOCIAL WORKER

Mrs. LePage

INTRODUCTION

Hello, BES, Parents/Caregivers! My name is Katie LePage and I am the School Social Worker at Bloomsbury School District. This is my 4th school year as a School Social Worker and my 2nd year at BES! I am really excited to start a new school year in Bloomsbury working with all of the wonderful students, families and staff.

EDUCATION

I earned my Bachelor's Degree from Muskingum University in New Concord, Ohio. I earned my Master's Degree in Social Work (MSW) from Rutgers University with an Area of Emphasis in School Social Work and a three year field practicum in a NJ public school district.

HOW I CAN HELP

I am a licensed New Jersey Social Worker (LSW) and a certified School Social Worker (SSW) with the New Jersey Department of Education.

I support students during the school day through individual counseling with parent permission, student check-ins as needed, Lunch Bunch Social Groups and the Second Step Social Emotional Learning Curriculum.

I also have a variety of resources for families, if needed. Please do not hesitate to reach out to me-- I am here to help!

For resources and support check out my section of the website!
